| Comments: | <p>I am at a loss to understand why the applicant is submitting a planning request for permission for a gypsy caravan site. As far as I am aware there is an injunction on this site forbidding the use of this land and the adjoining land for a gypsy site.</p> <p>Nothing has changed since previous requests. The area is not suitable for a gypsy caravan site and the recent unauthorised installation of mobile home and caravan etc on this site has caused serious damage to hedges and trees leading to the unauthorised entrances made to the site.</p> <p>This is green belt land and the gypsies were moved on before so why do they think they can apply retrospectively now. There is no infrastructure for a gypsy site here in sole street. They have broken the law on too many occasions and it is not fair to the residents of cobham snd sole street. They should be prosecuted for the damage they have caused to trees and hedging in the area. Some trees are many years old and they just sawed through them and crashed into them etc. I hope the council been and inspected the damage caused.</p> <p>The whole site should be returned to farmland with the removal of all unauthorised sheds, buildings, stables, gates, roads which have been tarmaced. It is the councils duty the refuse this planning application.</p> |
