Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object the building of houses on the downs road. My objection is that we can't get appointments at our surgery now let alone having more houses it will be even more difficult to get appointments. I also object taking away our farm land just to build houses. You imagine how many more cars there will be with the extra houses on Istead Rise. I have lived on Istead Rise for over 50 years and it's a nice commmunity. I hope you understand my objection to building more houses. [REDACTED]

Kind regards
