| Stance:              | Customer made comments in support of the Planning Application                                                                                                                                                                                                                                                                                |
| Reasons for comment: |                                                                                                                                                                                                                                                                                                                                              |
| Comments:            | I have no objection for the planned extension across the roof of the property . I understand the need for extra usable bedrooms and the design needs to be accessible from the upstairs and rooms and doors to be at an acceptable height .The property has adequate parking space for any additional cars and will not impede on the street |

Kind regards
