Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	FYI. This whole site was mature woodland with many large trees up until approx two years ago, when it was completely cleared by the then owner. I has never been developed, and only things there, was an ancient derelict caravan, that had been there 40 plus years, and an equally ancient shed at the rear of the plot.

Kind regards
