| Comments: | <p>I live [REDACTED] this proposed development.</p> <p>The volume of traffic is already at dangerous levels and this will dramatically increase the number of cars that n our narrow roads.</p> <p>The addition of another road to join the A227 will create a log jam of traffic on a road that is already often at a standstill.</p> <p>The lack of services such as Doctors, Dentists and school places will be stretched to levels where existing residents will not get the support they need.</p> |

Kind regards
