Reasons for comment:	
Comments:	<p>As a retired Special Needs Coordinator I want to stress how damaging this will be to the pupils of Helen Alison School. The upheaval of the building work and the change to their environment will be detrimental to their wellbeing.</p> <p>Our doctors are at capacity, our local schools are mostly full so will not cope with the extra demand.</p> <p>The main road through Meopham is already a nightmare. At busy times we struggle to get out of our road which leads on to it and have to rely on people giving way. It also floods in heavy rainfall making it dangerous, especially at night.</p> <p>Please reconsider before our beautiful village is destroyed.</p>

Kind regards
