| Reasons for comment: |  |
| Comments:            | <p>I am a former resident of Meopham and still a frequent user of the facilities there including being a patient at Meopham medical centre.</p> <p>I feel the number of proposed houses would have an enormous impact on the infrastructure and support services in the village. The positioning of the development is also of concern. Not only is it on greenbelt land but located next to an extremely busy junction next to the parade of shops and primary school. Adding that number of houses can only make what is at times quite a dangerous junction much worse.</p> |

Kind regards
