### Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This is green belt land, created for a reason and therefore should be preserved for that same reason. Protection of the rural environment is paramount with our obligations to the country's part in saving the planet. In addition the highway safety must be considered in an already very busy road with access issues so near to 2 schools. This would be urban sprawl at its worst and absolutely just be refused

Kind regards
