Comments Details

Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I object to this inappropriate development on green belt land. This is not in keeping with the character of the area. There already is and will be a detrimental impact on our wonderful local wildlife.

There have been illegal activities associated with this site, with total disregard for the rules and the law.

The road is narrow and unsuitable and the felling of trees etc has already taken place demonstrating this.

Kind regards
