| Comments: | <p>This deveopment would impact the Helen Alison SEN school in an extremely negative way. The pupils need stability and structure and cannot cope with change.</p> <p>Longfield Road is a very busy through road to Longfield and Dartford where there have been fatalities in the past. An expected, up to, another 240 cars accessing this road near two schools would cause traffic chaos during pickup times.</p> <p>The proposed land has been farmed for years and once lost cannot be regained. Meopham is a village and should remain so.</p> |

Kind regards
