Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	with reference regarding the dormer conversion at 40 ash crescent higham rochester kent. we strongly object to the conversion being done as it will ruin the character of the road. this road mainly consists of bungalows and would be an eyesore also the front dormer would look straight into the front windows of the properties opposite of which are bedrooms. the government and local councils keep going on about the older generation stuck in large houses, to allow this conversion to happen would take away another bungalow of which the older generation could possibly purchase thus releasing the bigger houses for families to buy. if you want a house buy a house stop converting bungalows.

Kind regards
