Reasons for comment:

Comments: To whom it may concern

In principle we have no objection, however we would like a condition or an informative note that if planning granted that the appropriate space is set on the third party wall [REDACTED] Rationale behind that is [REDACTED] downpipe so access is required for maintenance. Also not a planning issue, more a building regulation issue is that the new extension roof drainage will require a new soakway as the pre-existing is on [REDACTED] land is at full capacity.

Kind regards
