Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I absolutely object to this application. It will not be of any benefit to the village and in fact cause much disruption to neighbours on all sides. The application does not have adequate parking for three dwellings, meaning more cars will be parked on the road which is already over populated with parked cars. This will make the road more dangerous for road users and pedestrians.

Kind regards
