Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	With the experience of the last 12 months of development work at the convent I feel it necessary to voice my objections. The private road Hillside drive is not designed for the volume of traffic this scale of development would create. The design of the houses are interesting? I would love to understand how they are in keeping with the surrounding designs.

Kind regards
