Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Strongly object - this seems to be contravening all the existing decisions made and work has already started and caused damage to surrounding people's land, this has consequently shown total disregard for the local community, their opinion, the environment etc. Concerned that the actions so far have undermined all existing laws in place that should be protecting this beautiful part of the country and doesn't seem to be taking anyone's opinions into account seemingly making the law unenforceable.

Kind regards
