Planning Application

Planning Application No: 20221120

Location: Land Former Northfleet Cement Works The Shore Northfleet Gravesend

Description: EDC Reconsultation - Reserved matters application (access, layout, scale, appearance and landscaping) pursuant to condition 2 of outline planning permission reference no. EDC/16/0004 for land east of College Road (Phase 2) comprising the erection of 133no. dwellings together with associated infrastructure including details relating to finished floor and site levels, noise attenuation measures, ecological mitigation and enhancement strategy and schedule of public open spaces (condition 9), renewable energy, water conservation and carbon reduction technologies (condition 11), design and maintenance of the public realm and other areas with a public amenity function, provision of and timetable for installation of public art and heritage interpretation (condition 15).

Applicant: Ebbsfleet Development Corporation

Site Visit Date: Desktop Assessment

Introduction

This is an application submitted to the Ebbsfleet Development Corporation (EDC) as the determining authority (EDC ref EDC/22/0058), and is a re-consultation in respect of the reserved matters application (access, layout, scale, appearance and landscaping) pursuant to condition 2 of outline planning permission reference no. EDC/16/0004 for land east of College Road (Phase 2) comprising the erection of 133no. dwellings together with associated infrastructure including details relating to finished floor and site levels, noise attenuation measures, ecological mitigation and enhancement strategy and schedule of public open spaces (condition 9), renewable energy, water conservation and carbon reduction technologies (condition 11), design and maintenance of the public realm and other areas with a public amenity function, provision of and timetable for installation of public art and heritage interpretation (condition 15) of that planning permission.

Submitted Documents/Plans

The applicant has submitted the following in support of the application:

Re-consultation letter dated 18 October 2022.

EDC/16/0004 to allow for the relocation of the community facility involving (i) change to description of development, (ii) changes to the wording of condition 4 to replace the Land Use and Development Framework Parameter Plans and (iii) changes to wording of condition 14.	Observations Sent	17.07.2020
20200180	EDC Re-consultation EDC/19/0201 - Application for the discharge of condition 6(a) attached to outline planning permission reference no. EDC/16/0004 relating to a site-wide Heritage Management Plan.	Observations Sent	11.03.2020
20191324	EDC Consultation EDC/19/0201 - Application for the discharge of condition 6(a) attached to outline planning permission reference no. EDC/16/0004 relating to a site-wide Heritage Management Plan.	Observations Sent	24.01.2020

20191170	EDC Consultation EDC/19/0177 - Request under Section 106A of the Town and Country Planning Act 1990 (as amended) to modify a planning obligation in respect of use of the access tunnels to serve the residential and mixed use areas of the development approved by Outline planning permission reference EDC/16/0004.	Observations Sent	22.11.2019
EDC/16/0004 (GBC ref. 20160962; previously when originally submitted to GBC, ref 20090238)	Outline application for mixed development and comprising: • Up to 532 Homes, related car parking and landscaping (C3); • Up to 46,000 sq. m Employment Floorspace, related car parking, servicing and landscaping (B1/B2/B8); • Mixed Use Neighbourhood Centre comprising mix of: up to 850 sq. m retail/cafe/takeaway floor space (A1/A2/A3/A5); residential uses (C3); community centre (D1) and related car parking and landscaping; • Riverside Food and Drink Uses comprising up to 500 sq. m of pub or food and drink uses (A3/A4); • Public Open Space including riverside promenade, public park with equipped play areas and playing field with shared public/school use, multi-use games area and wildlife corridors; • Fastrack Link to provide a segregated link across the site along with Fastrack stops • Street and Footpath Network to provide access to development and maintain and enhance existing public rights of way, including a bridge link between Hive Lane and Factory Road; • Access Improvement to Grove Road/The Creek and The Shore/Crete Hall Road and associated highway improvements; • Supporting Services and Infrastructure including new utilities, enhanced flood defences and providing for access to cliffs and tunnels; • Ground re-grading to create efficient development and open space platforms and to raise land to address flood risk; and • Other Minor Works and development ancillary to the main proposals including the demolition of existing buildings and the retention of tunnels and facing walls adjacent to Lawn Road.	Permission	08.06.2018 s106 signed concurrently

Internal Consultations

GBC Housing Development (Previous comments received 04.10.22 unchanged)

Phase 2 - to meet current housing need on the GBC Housing Register the 2 x 3B, M4(3) wheelchair adapted housing should be changed to 2 x 4B general needs dwellings. This is due to the lack of demand identified on the Register for fully wheelchair adapted affordable rent homes at this time.

The current need for wheelchair adapted M4(3) compliant housing from the GBC Housing Register is summarised below:

3 x 1 bedroom need

3 x 2 bedroom need
1 x 5 bedroom need

You will note that the housing need does not include for 3 bed wheelchair adapted housing but does include one and two bedroom accommodation which is more suitable for provision as ground floor apartments.

Whilst the need for wheelchair adapted housing is subject to change, I am satisfied that the 6 x M4 (3) wheelchair compliant homes which form part of the S106 agreement should be provided as part of phase 3, the exact mix of sizes to be agreed closer to the start on site for that phase to ensure that the mix meets the needs of households waiting on the Housing Register.

The need for 4 bed accommodation continues to grow. The Housing Register identifies the following need for larger family accommodation:

220 x 3 bed units
42 x 4 bed housing
101 x 5 bed housing

The total of 363 households waiting for 3 beds plus housing out of a total of 1,060 households waiting, demonstrates the need for larger accommodation .and therefore the change from 2 x 3 bed wheelchair adapted housing to 2 x 4 bed houses.

I understand that Bellway Homes are also offering additional affordable rented housing in lieu of shared ownership houses in phase 2.

The rented mix originally agreed for phase 2 is as below:

2 x 2 bed houses
1 x 3 bed house
2 x 3 bed wheelchair adapted houses

I agree with the proposed rented housing mix for phase 2 below given the rented housing need stated above:

1 x Coach house (FoG)
4 x 2 bed house
1 x 3 bed house
2 x 4 bed house.

Therefore, in phase 2 there will be 8 x affordable rented houses and 30 x shared ownership houses.

Whilst appreciating the S106 agreement does not require all homes to be built to M4(2) of the Building Regulations, the applicant should state which of the affordable housing will be built to this standard on the tenure plan provided for phase 2.

GBC – Licensing
No comment.

GBC – Parking Services

The concern from parking is the very limited visitor parking within the development. Along with the proposed new Ebbsfleet Stadium, there could be very limited parking for visitors that could flood surrounding streets that already have limited parking. We may need to look at the restrictions in surrounding areas and introduce restrictions to protect existing residential areas from an influx of overflow parking.

If this is the case, would the cost of these works be covered by the developers?

GBC – Environmental Protection

Having reviewed the technical note by Stantec, the details submitted look in line with *BS4142:2014 with reference to BS8233:2014*.

We consider the incorporation of a 1.8m high brick wall as a suitable approach which minimises any potential noise exposure levels to and below the subject 5 dB criteria as illustrated by Figure 1.

This service is overall satisfied with the information submitted and agrees further noise mitigations measures will not be necessary given the data shown in Figure 1 remains accurate.

Planning Assessment/Comments

This application comprises an Ebbsfleet Development Corporation re-consultation on application EDC/21/0058, specifically in relation to the details relating to finished floor and site levels, noise attenuation measures, ecological mitigation and enhancement strategy and schedule of public open spaces (condition 9), renewable energy, water conservation and carbon reduction technologies (condition 11), design and maintenance of the public realm and other areas with a public amenity function, provision of and timetable for installation of public art and heritage interpretation (condition 15) of that planning permission.

Recommendation

The EDC is requested to consider the recommendations from the Borough Council's Housing Strategy and Development, Parking Services and Environmental Protection Officer's.

The EDC is thanked for consulting the Borough Council.
