Reasons for comment:	
Comments:	When we bought our property we knew the potential trouble (noise, traffic etc)we could have with a schools either side of us but as it would be only certain times of the day and breaks with school holidays, we thought this is acceptable. Now we are expected to have a sports arena in front of our property with more noise, traffic, floodlights etc from 08.00-22.00 7 days a week all year round. Will spectators leaving the new development be respectful and leave quietly allowing children and early start workers to sleep. I imagine this will also lower the value of our properties and make selling in the future a problem. There are plenty of spaces in the Borough away from residents that this could be built. This is not acceptable and we strongly object to this plan.

Kind regards
