Reasons for comment:	
Comments:	[REDACTED] attended the secondary school a few hundred metres from the proposed site. As a parent I am disturbed that Gravesham Council would even consider allowing a fast food establishment to be opened this close to a secondary school and in a town where we already have two McDonalds branches - we are, after all, in the midst of an obesity epidemic! This site, by its very nature, will encourage anti-social behaviour, litter and an unnecessary increase in traffic in an area already blighted by traffic issues. Gravesend is not a town that requires more fast food outlets and certainly not placed right next to a captive audience of teens.

Kind regards
