Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	<p>My objection is to</p> <ol style="list-style-type: none">1) the merging of villages;2) the use of current A227 for the transportation of yet more heavy goods;3) building on a current drainage area for Culverstone;4) creating even more more traffic jams;5) Air pollution from population and using more fuels;6) damage to ancient woodlands, eg View School woodland, which is missed off your maps; Rhododendron Avenue I hear has the highest level of environmental protection, but your plan destroys them potentially.7) The fact the proposal goes against the recent Government National Planning Policy, referring to Paragraphs 116, 156 and 198. <p>and</p> <ol style="list-style-type: none">8) The impact on wildlife.
