Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Being a local resident, I am concerned about the increase in traffic congestion locally. New Barn Road is often at standstill in the mornings when trying to get on to the A2. An increase of this many housing units will no doubt put added pressure on the local roads. Especially as there is little public transport nearby. I am also concerned about the added strain on the local healthcare facilities

Kind regards
