Reasons for comment:	
Comments:	I hereby support the change of the above premise to place of worship to support the growing number of our Muslim brothers and sisters. Especially on Friday during the main prayer the current mosque is small to hold the capacity of people at present, thereby making others to pray on roads/car park. This might be not possible when the weather is not favourable to pray outside. Having a place where they can pray safely and for their dignity will be good. Kind regards, [REDACTED]

Kind regards
