Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	Dear Sir, I am writing to object to this planning application. The proposal conflicts with the local development plan. Whitepost lane is a narrow lane with no footpath/pavement for pedestrians. New development is required to encourage sustainable living and transport. Any residents would need to use private vehicles, which does not promote sustainable transport. The lane is too narrow to cope with the volume of traffic than an 8 pitch 16 unit development would generate. Damage has already occurred to many beautiful ancient oak trees when park homes were brought into Whitepost Lane in January 2025 prior to permission being granted. It is clear from the Plan/drawings provided that there has already been intentional unauthorised work, which has been undertaken without permission. The plans also suggest that there will be further applications, no doubt retrospective. Those who carry out works without permission should not be rewarded by permission being granted retrospectively. Kind Regards
