Reasons for comment:

Comments:	I wish to object to this application on the following grounds. Gravesham council should be facilitating housing for traveller community in a more suitable location. Sole street is a small hamlet and this location is situated in a narrow lane totally unsuitable for the movement of 8-10 caravans. This is on green belt land and has already had a 8 foot fence erected with no permission totally flouting planning rules. Local residents have applied on several occasions to site mobile homes or for building permission and always been refused. There is an existing enforcement order on the land served to unknown parties in 2009. The applicant has already entered the private woods opposite this site and dug a trench and laid cables with no permission from the land owner and total disregard for the law. White post lane has had severe damage done to the trees lining the lane when mobile homes have been sited before. This is again going to cause untold damage to the environment.
