Reasons for comment:	
Comments:	I believe that the proposed development will have a negative impact on the local environment and character of the area. When previous mobile homes were moved to the site, a large amount of damage was done to trees between White Post Lane and Nursted Church Lane. Many old trees were felled without permission from landowners, and countless others damaged. What used to be a beautiful avenue of trees has been irreparably damaged. I do not think that further mobile homes can be moved onto the site without further damage to the environment, so object to this application.

Kind regards
