Reasons for comment:

Comments: I object to the Woodlands building being used as a McDonalds restaurant. Upper Wrotham Road is a very busy highway with heavy volumes of traffic. The site is in close proximity to Woodlands Park, which is frequented by children of all ages as well as adults and a large C of E school, and additional traffic flow should cause added risk to pupils walking or cycling to the park and/or to school. If the proposed food outlet is allowed to go ahead we should have noise and traffic flow throughout the evenings as well as the day. Due to additional traffic flow, we should have extra pollution, leading to further chest problems for some. We already have at least two outlets selling McDonalds fast food and see no need for a further venue selling their fast food.

Kind regards
