| Comments: | <p>This will cause more traffic on the surrounding roads, it also takes away the wonderful countryside feel of the area. The infrastructure is not equipped the school is small, unable to get a doctors appointment as it is. This will destroy the feel of the area which is a draw for so many people.</p> <p>This will be a loss of natural habitats and the area is poor for flooding in large downpours. The plan is not of benefit and does not reflect the wants of the local community.</p> |

Kind regards
