Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this application as it will mean the loss of identity of two more Kent villages as Sole Street and Hook Green merge to become just another town. The loss of more Greenbelt land and valuable animal and plant habitat and farmland. The A227 Wrotham Road is already a very busy road continually being repaired, with this application and other new developments in the area the road infrastructure will not cope. New school, doctors, dentists and other NHS facilities will be required, at present public transport is already quite scant and will become even more insufficient. All Greybelt sites should be examined before irreplaceable Greenbelt land is considered, there are a number of Greybelt sites just in Gravesend. The effects of pollution, noise and congestion with in excess of 1000 more vehicles plus deliveries, waste collection and other services will cause a degradation of living standards for everyone in the area.

Kind regards
