Dear Sirs

Re The Beeches, 5 Sarsens Close, Cobham, Gravesend, DA12 3DA
T1 – Oak – reduce crown by 40% - crown height from 13m to 8m and
crown spread from 10m to 6m – pollarding due to close proximity to
neighbours house and being on a steep bank. Power/BT lines also
running close to the crown of the tree

We refer to the above planning application, your reference GR/2022/1055 and would make the following comment.

The Society notes the tree can be seen from Battle Street and the proposed reductions are significant.

Yours faithfully

Mrs P A Lippiatt
Hon. Secretary
