Reasons for comment:	
Comments:	We do not need any more houses, the area is not ready for more development. Istead Rise would struggle even more with traffic, the GP surgery is already full and hard to get an appointment, and with only a bus route through Istead Rise, the infrastructure is not there for more development. The farmland is important to the UK and the area, we need to grow and eat British. The plans are too big, and the people of Istead Rise do not want it, thank you for listening to my thoughts

Kind regards
