Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

☐ Yes

☒ No

Does the proposal consist of, or include, a change of use of the land or building(s)?

☒ Yes

☐ No

If Yes, please give a full description of the scale and nature of the proposed use, including the processes to be carried out, any machinery to be installed and the hours the proposed use will be carried out

The proposal is for a dropped kerb, so that the front land can be used as a driveway. The process would include removing the kerb to create the dropped kerb and access way. Any machinery that is associated with the works will be used. Hours for the proposed use will be in line with the permission granted.

If Yes, please fully describe the existing or the last known use, with the date when this use ceased

Currently a front garden, which is in use.

Has the proposal been started?

☐ Yes

☒ No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The existing use as a front garden is and always has been the lawful use for the property.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The neighbouring property, 16, has achieved a Lawful Development Certificate for a dropped kerb and have carried out the works to install said dropped kerb. Therefore, a precedent has been set and we feel that there is no reason for a Lawful Development Certificate to be granted in our favour.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- ☐ The agent
☒ The applicant
☐ Other person

Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
☒ No

Interest in the Land

Please state the applicant's interest in the land

- ☒ Owner
