Dear Sir/Madam,

Application for Listed Building Consent for the proposed installation of a train information display at Gravesend Railway Station, Rathmore Road, Gravesend, DA11 0HP

Ruth Jackson Planning Ltd ('RJP') is instructed to submit an application for Listed Building Consent on behalf of Govia Thameslink Railway Limited ('GTR'). GTR is in the process of delivering a programme of improvements to railway stations on the Thameslink, Southern and Great Northern networks through the Passenger Benefit Fund ('PBF') scheme. The proposed improvements at Gravesend Railway Station form part of this programme.

The primary objective of the PBF scheme is to provide tangible improvements for passengers on the GTR network. GTR has engaged with rail user groups to identify the improvements the £15 million package will fund across the networks.

Listed Building Consent is sought for the installation of a train information display on platform 2.

The works will improve the real time information available on services to railway users.

The following documents are submitted as part of this application:

- Application forms
- Location Plan (6300.14(00)01)
- Existing Site Plan, Elevation (6300.14(00)02)
- Existing Section, Section (6300.14(00)03)
- Proposed Site Plan, Elevation (6300.14(02)02)
- Proposed Section, Elevation (6300.14(02)03)
- QFM01 Gallows Top Section Detail (24659Z-A)

The application is submitted via Planning Portal (Ref: PP-10102533). There is no fee associated with applications for Listed Building Consent.

I trust the enclosed documentation meets the requirements and look forward to receiving confirmation of validation in due course.

Yours faithfully,

Shaun Gaffey, MTCP, MRTPI
Senior Planner
