Reasons for comment:

Comments: [REDACTED] lose light as a result of this proposed extension in 5 areas in particular.

Area 1:

[REDACTED]
A raised flat roof will mean that significant amounts of light filtering through the long side window [REDACTED] onto the above mentioned areas will be blocked.

Area 2:

A raised flat roof will mean that light filtering through [REDACTED] [REDACTED] will be partially blocked.

Area 3:

[REDACTED]
A raised flat roof will mean that light directly entering this room is partially blocked and the room shaded from the light it currently receives.

Area 4:

[REDACTED]
A raised flat roof will mean parts of the front and the rear of the garden will be directly blocked from the light it currently receives.

Area 5:

[REDACTED]
A raised flat roof will partially shade the room from the light it currently receives.

Kind regards
