Reasons for comment:

Comments:	Area around Echo Square is already very busy. Another road joining Old Road East can only make it worse The parking is not sufficient in the medical centre if there are 52 members of staff, which means more congestion on the road system around this area. I am very disappointed that this is not a NEW medical complex but just to rehome the existing Pelham Medical centre etc. Are 2 parking bays for people visiting the 54 homes going to be enough? There is a suggestion that a smaller plan in this area might be more acceptable, but I really think the problem of traffic in ALL the roads in this area must be looked at again.
-----------	---

Kind regards
