Reasons for comment:

Comments: please no more houses in gravesend, the infrastructure cant cope!!
the town is a mess as there are just far too many people creating more homes
will make matters worse.
wow they are going to include a doctors surgery in the build -what good will that
do? doctors in the area are already struggling, we are struggling to get
appointments so this wont help!
may be build a hospital and then it might help.
my lovely home town has been ruined by over development and too many
people. the council seem to allow these developments without thinking of the
bigger picture and what its doing to the town -actually destroying it!

Kind regards
