Reasons for comment:

Comments: Hi, I know this will go ahead, but what I do object to, is the opening of our road in any way, if you know down the wall for pedestrian access, we will have people parking their second cars in our all ready crouded road, we will have county lines drug dealers bombing up and down our pavement using it as a cut through, everything about it is a negative to us, so all I ask, is to build your estate but leave our road out of it, you have no need to open it so don't, I moved here for a reason, because their in no through traffic, cars or pedestrians, I'm sure the health centre is just a lie to get the planning through, I don't even care about that, just leave our road as it is, closed, and I hope you don't put a park in, as that will just become a night hang out for drug dealers and their customers, have a look at the rest of gravesend if you need a reference, I'm sure none of you who are making the decisions even live in gravesend, but we do, so leave our road closed.

Kind regards
