Comments Details

Commenter Type: Neighbour

Stance: Customer made comments in support of the Planning Application

Reasons for comment:

Comments: While I support the development, pedestrian access to Coombe Road should not be allowed. Parking in Coombe Road is already at capacity, and if pedestrian access is allowed the parking will get worse. It is conceivable that if parking for residents or the doctors surgery is limited people will park in Coombe Road as an alternative, leading to Coombe Road residents unable to park in the street they live in.

Kind regards
