Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I wish to again object to the proposed extension to number 7 Denesway under "The Right of Light" act of 1959. This extension will block nearly all of the natural light to the right hand side of my property as it reduces the distance to the property from my windows to two meters. I have now sought legal advice on this matter and have been informed that a "Right to Light" assessment should be completed.

Kind regards
