Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I didn't see any mention of parking in this application? Old Rd East is already a very busy road, especially in School times, if you actually stand on the pavement in this area at school times. You'll see that it has high pollution and traffic flow with a number of children walking and breathing that in. I can't see how this application can do anything except worsen that situation. Obviously a medical centre would be of benefit but there is one approximately half a mile away, as part of the Old Rd West Surgery. Plus I'm sure you're aware that that the promised medical facilities that go along with these applications often don't materialise and become more profitable additional housing.

Kind regards
