Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: MORE houses? MORE traffic MORE congestion... do any planners actually live in the area?
I work on the wards of Darent Valley Hospital and see first hand every day the overcrowding and stress in our ONLY local acute hospital! That's after battling the traffic in and around Echo square to actually get to work!

We need a hospital not more houses! And this from someone who actually lives half a mile from the proposed development and not in the leafy suburbs of Surrey!

Kind regards
