Reasons for comment:

Comments:	I have concerns about the plans for access path throught Coombe road, I belive the access path will cause heavy footfall and unwanted noise issues, also as the road is a small road, residents already have issues with finding parking, this will increase this issue further. As a dead end and quiet road, the residents feel safe and the neighbours know eachother and can quickly identify if anyone does not belong here and may cause anti social behaviour, also as a father I feel comfortable with my kids playing outside of my house, with these proposals I believe things will drastically change for Coombe Road.
