Reasons for comment:

Comments: In principle I support the application. My reservation as owner of [REDACTED] is that the rear garden and bedrooms of the property will be seriously overlooked by the end terrace house to the east. Also the road access into and from the site will be difficult with the volume of traffic on Old Road East, particularly at peak times. Might not the rear of the development use Coombe Road? This would involve a barrier and turning area to prevent access between the two parts of the site.

Kind regards
