Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: Wed like to object primarily on the grounds of adequacy of parking, highway safety and road access. We live on Parrock Avenue which is already a rat run to avoid echo square at peak times. I have already flagged the speed cars travel up and down the road and this will only be exacerbated by this proposed development. It will also put a strain on parking on Parrock Avenue / Park Avenue as the proposal looks not to have adequate parking needs - these roads are already full with cars. This has to have an impact on safety.

Kind regards
