Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I object for the following reason.

Too many houses being built for the size of the plot, this will increase the amount of people using local facilities, which are currently only small e.g. convenient store, coffee shop, church, preschool.

The traffic will increase in nearby roads.

We don't object to a development but feel that the amount of houses should be reduced by at least half.

Kind regards
