Reasons for comment:	
Comments:	We have spoken to our neighbour He has agreed that he will not work 7 days a week No burning of building /rubbish materials Clearance of all building/rubbish materials will be removed from the back access to all houses, as there is currently lots of building/rubbish materials Currently lots of building products on top of all out buildings, neighbour said there will be no materials on any outbuildings including new building The back access to all the houses have several trees about 10 feet from house boundary, there is not a tree on his land as stated in his application however he does have a tree about 10 feet from the boundary

Kind regards
