

20250109 Kings Pharmacy 22A Kitchener Avenue

KCC Heritage 14 March 2025

Thank you for consulting us on this application.

The site lies within an area of multi-period background archaeological potential. However, based on existing Historic Environment Record data for the area and the nature of the proposed development, I consider it unlikely that these proposals would have a significant below-ground archaeological impact and have no further comments to make in this case.
