KCC Heritage 30.7.25

Thank you for consulting us on this application.

In respect of Condition 12, I would be happy for you to formally accept the request from the applicant for Condition 12 to be removed and/or discharged in full, based on the facts presented about asbestos contamination and a no-dig policy.

As noted in the applicant's letter, Condition 15 will be satisfied by the submission of reports on the historic building recording.
