Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	As those planning applications have no aftermath situation, impact on already crowded residential areas would be unthinkable. As it stands at moment the roads are already too busy as they are. The villages are built for their full capacity. The residence would be put to a great danger for living. Therefore I strongly object to planning applications for Meopham.

Kind regards
