

Ref No. 20250764

Dear Sir,

Another piece of countryside ruined and tarmaced over and more rubbish dumped outside the gates after all the work being down.

White Post Lane has been damaged beyond repair and is constantly blocked by lorries and diggers etc. Many of the villagers will no longer use the lane as vehicles from the site are being driven at high speeds and with no respect for anyone else.

More and more caravans and vehicles

2

turning up and it looks as though there will be far more than the 8 mobiles the planning application is asking for.

The whole thing is a disaster and should never have been allowed to happen.
