Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Will have impact on services, doctors schools and ability to park to access local shops all of which are big problems already. Increased traffic making roads more hazardous and causing jams many children walk to school and older people like myself find traffic excessive already. Lanes not suitable for this increase. Detimental to wildlife and environment. Depleting our open spaces

Kind regards
