Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I object to the proposed development for the following reasons</p> <p>The local road infrastructure will not sustain the additional vehicular capacity emanating from the proposed development. The only routes to a main road are along country lanes onto which public foot paths and residential roads meet.</p> <p>Road safety will be compromised.</p> <p>The development will have a detrimental impact on the local wild life and biodiversity.</p> <p>Local services such as GP's and schools will come under great pressure.</p> <p>There will be a loss of green belt.</p> <p>Other local proposed housing developments, if allowed, will only exacerbate the above mentioned issues.</p>

Kind regards
